A few days ago, Mr. D. Creighton showed us a box of peaches, grapes and flowers which was a beauty to behold. It looked as though it might have been intended as a gift of an ardent beau to his lady love. Perhaps this is not far from the truth as Mr. Creighton did not mention the destination of the box. But of this we are sure, such perfect fruit and flowers as this box contained is evidence conclusive that this section is adapted to the culture of both the delicious and the beautiful.

Pains All Over!

"You are welcome," says Mrs. Nora Outley, of Broken Arrow, Okla., "to use my letter in any way you want to, if it will induce some suffering woman to try Cardui. I had pains all over, and suffered with an abscess. Three physicians failed to relieve me. Since taking Cardui, I am in better health than ever before, and that means much to me, because I suffered many years with womanly troubles, of different kinds. What other treatments I tried, helped me for a few days only."

TAKE CARDUI The Woman's Tonic

Don't wait until you are taken down sick, before taking care of yourself. The small aches and pains, and other symptoms of womanly weakness and disease, always mean worse to follow, unless given quick treatment.

You would always keep Cardui handy, if you knew what quick and permanent relief it gives, where weakness and disease of the womanly system makes life seem hard to bear. Cardui has helped over a million women. Try it.

Write to: Ladies' Advisory Dept., Chattanooga, Medicine Co., Chattanooga, Tenn., for Cardui instructions, and 64-page book, "Home Treatment for Women," sent free. I'll
